DETAILED ACTION

Summary

This office action is in response to the Decision on the Petition to Withdraw the Holding of Abandonment mailed to applicant's attorney on November 15, 2005. Since applicant's petition was granted, the examiner is forwarding herewith, the office action that was not previously received.

Priority

Applicant has not complied with one or more conditions for receiving the benefit of an earlier filing date under 35 U.S.C. 120 as follows:

An application in which the benefits of an earlier application are desired must contain a specific reference to the prior application(s) in the first sentence of the specification or in an application data sheet (37 CFR 1.78(a)(2) and (a)(5)). The specific reference to any prior nonprovisional application must include the relationship (i.e., continuation, divisional, or continuation-in-part) between the applications except when the reference is to a prior application of a CPA assigned the same application number.

Specification

The disclosure is objected to because of the following informalities:

Page 12, line 22, "10" should read --18--;

Page 14, line 9, "19" should read --14--; and

Page 14, line 14, "17" should read --13--.

Appropriate correction is required.

The specification is objected to as failing to provide proper antecedent basis for the claimed subject matter. See 37 CFR 1.75(d)(1) and MPEP § 608.01(o). Correction of the following is required: the subject matter of claim 6 lacks proper antecedent basis. Page 13, lines 11-12 recites "...more than 2 outer or inner envelops...". Applicant should either amend the claim or the specification such that the claimed language is consistent with the specification.

Allowable Subject Matter

Claims 1-15 are allowed.
